Tools and Plant - Highways Department - Immersion Vibrators Rate and Conditions of hire - Proposals of Chief Engineer.(Highways). Approved.

(Abstract).

Tools and Plant - Highways Department - Immersion Vibrators - Rate and Conditions of hire - Proposals of Chief Engineer (Highways) - Approved.

-v-v-v

APPENDIX

Conditions for hire of Johnson Immersion Vibrators.

1. The rate of hire per day or part of a day shall be Rs.5/- subject to a maximum of Rs.99/ per month.

2. The above rates are exclusive of the pay of the crew and other working expenses such as cost of fuel and lubricants

3. The hirer shall meet the working expenses of the Vibrator, like the pay of the crew cost of lubricants.

4. The Vibrator shall be handed over at the work site and actual transit charges connected with the movement to and from the place where the Vibrator was available to the work site as worked out by and intimated by the Divisional Engineer Highways shall be borne by the hirer.

5. The hirer shall employ only the crew and the mechanic approved by the Divisional Engineer (Highways) for working or repairing the plant and under any circumstances he shall not allow unauthorised persons to handle the plant.

6. No hire charges shall be levied for recognised holidays and authorised local holidays approved by the Divisional Engineer (Highways) in advance. No hire shall be recovered for the days on which the plant does not work on account of break down rain, storm, or other causes for which the hirer cannot be held responsible. The decision of the Divisional Engineer (Highways) shall be final and binding on the hirer.

   The hirer shall be responsible for the cost of replacement or for repairing any damage or loss to the plant while it is in his charge fair wear and tear excepted. The Divisional Engineer (Highways) shall be the sole judge as to what is "fair wear and tear".

8. The hirer shall employ at his cost necessary watchmen to safeguard the plant.

9. On the failure of the hirer to abide by any of the foregoing conditions the Divisional Engineer (Highways) shall withdraw the Vibrator and carry out repairs if any required to it departmentally and recover the cost thereof from the hirer.
